Derby Adult Learning Service

Information and Advice for learners

Our Information Advisers can help you reach your goals in learning and work. They will:

- Give you advice on courses and job searching
- Help you to open a Skills Account
- Help you plan your future education, training or career
- Help with CV writing and interview techniques
- Provide information important to your next step
- Put you in touch with other useful organisations

How can our Information Advisers help you?

If you:

- are returning to learning
- have just completed a course
- want to gain a qualification to improve your job prospects

but aren't sure what your next step should be, then one of our Information Advisers can help.

What can you move on to?

- Another course in Derby Adult Learning
- A course with another organisation
- Training, a job, or promotion
- Voluntary work
- Self-employment or your own business
