Derby City Council

Welcome

Welcome to the 2017/18 adult learning programme. There is a wide range of courses available including our new health and well-being courses which recognise the importance of mental health.

Our adult learning service provides high quality teaching and learning so I am confident that with the support of your tutors and other staff you will be successful in achieving your learning goals. Our aim is for you to meet new people, enjoy your learning experience, gain confidence and go on to further success.

Derby City Council supports lifelong learning and the Labour led administration is committed to raising achievement and skills and to providing learning opportunities for all Derby residents.

I look forward to hearing about your future successes.

Councillor Sarah Russell
Cabinet Member for Education
and Skills

Welcome to the Spring Term and all new and existing learners. Whether you want to improve your English, brush up on your maths, expand your IT skills or explore your creative side, we have a varied programme on offer. Courses get filled quickly, so make sure you book your place as early as possible.

If you can't find what you're looking for, please give our Learner Helpline a call; our friendly and knowledgeable staff are there to help. You may also have some suggestions for courses that you would like to see in our programme or ideas about how we can improve; if so, please let us know. We are always keen to hear from our learners.

Finally, I look forward to seeing you and wish you great success in whatever course you choose to do.

Best wishes

Debbie Watson (Head Of Service)

Family Learning

Would you like to support your child's learning and find out more about what they learn at school? The exciting Family Learning programme is a fun and friendly way to help give your child a good start and a great place to begin to develop your own skills.

Our courses are generally free (some criteria apply) and take place in schools and children's centres across the city. They help to develop children's maths, English and language skills and support adult family members to improve their own skills and progress onto other adult learning courses.

All courses are practical, fun and informative and open to parents, grandparents, guardians and carers. We also offer short parenting courses to help you understand and manage children's behaviour. Some courses are supported by a crèche.

Courses we have offered:

- Parenting
- Healthy eating on a budget
- Number fun and managing your money
- English and maths through arts and crafts
- Story Sacks
- Interview skills

Find out about a class near you by calling our **Learner Helpline on 01332 717900**. We may be able to run a course at your child's school. Ask the school to contact us at enquiries@derbyals.org

Language Learner

English for Speakers of Other Languages (ESOL)

If English is not your first language, we have many friendly groups for you in different centres across Derby in the morning, afternoon and evening. ESOL course fees start at £3.60 per hour and are FREE for many, especially if you are unemployed and in receipt of certain benefits. You will be required to show evidence of your benefits. You will attend an assessment session to determine your level. Improving your English can increase your job prospects.

“The things we are learning on the course have not only helped with general understanding and speaking English but also helped while watching TV and shopping.”
